Road Salt Package

\$245.00

This package is designed to test for surface water contamination from road salt. It is strongly recommended that you also test for TCEC so you know if you are looking for a surface water contaminant.

Parameter	Method	List Price per Sample
Chloride	SM 4500CI-E	\$20
Sulfate ***	EPA 300/ASTM	\$20
Bromide ***	EPA 300	\$20
